## 29th Annual Trenton Woodlot Conference 2018

**Farms and Forests:  
Living on the Edge**

**Presented by the  
Hastings Stewardship Council  
and partners**

*CARING FOR THE LAND TOGETHER*

## Trenton Woodlot Conference Program - November 23, 2018

---

**8:00 am**

Doors open: view exhibits

**9:00 am**

**Welcome: Jim Pedersen,**

Hastings Stewardship past chair

**Dave Sexsmith,** Ontario Woodlot

Association chapter president &  
provincial past president

**9:30 - 10:30 am**

**Dr. Rene Van Acker**

**Dean of Ontario Agricultural College**

### ***Farms and Woodlots: keystones to a Healthy Environment for All***

The state of farming in Ontario and the relationship of the farming sector to our communities. Farmers who add woodlots can increase their 'investment' in the economy and the environment.

**10:30 – 11:00 am**

**Break: exhibits & networking**

**11:00 – 12:00 am**

**Susan Willis Chan, Ph.D. Candidate,**

University of Guelph

**Instructor in Sustainable Agriculture,  
Trent University**

### ***How Wooded Edges Make Farms Better***

How rural landowners can improve the ecological health of their property and gain in overall yield. Wooded edges provide wildlife habitat, pollination services, and lead to less pests and diseases.

## Trenton Woodlot Conference Program - November 23, 2018

---
